

## Schedule Global Course 2020-2021

All participants will watch the introduction lecture by the University of Groningen as the first lecture as it introduces the setup of the course. The local lecturers subsequently determine in which order the other lectures will be watched. The table below provides an overview of all the lectures including the assigned readings.

The deadlines for the assignment are as follows:

April 16	the local & international working groups are announced
May 17, 23:59 (GMT)	deadline for sending the 'country chapter' to your group colleagues from all other Universities.
May 24, 23:59 (GMT)	deadline for submitting the peer-review to your lecturers and colleagues
June 9, 23:59 (GMT)	deadline for submitting the final version to your lecturers
